

IN THE UNITED STATES DISTRICT COURT
FOR THE WESTERN DISTRICT OF WISCONSIN

STATE OF WISCONSIN,

Plaintiff,

v.

HO-CHUNK NATION,

Defendant.

ORDER

13-cv-334-bbc

Judgment was entered in this case on June 18, 2014 in favor of plaintiff State of Wisconsin on its claim that defendant Ho-Chunk Nation is violating a compact with plaintiff by offering electronic poker at defendant's gaming facility in Madison, Wisconsin. Defendant filed a notice of appeal on July 11, 2014.

Now defendant has filed a "motion to supplement the short record" with various documents filed in this case. Dkt. #45. That motion is DENIED because defendant does not explain why it wants to supplement the short record to include those documents or why the Court of Appeals for the Seventh Circuit needs those documents now instead of when

the court requests them in accordance with Circuit Rule 11(a).

Entered this 18th day of August, 2014.
