---

On December 1, 2016, Intervening Defendant filed a Motion for Partial Final Judgment Under Rule 54(b). No party having opposed the motion, and the claims brought by WCMIC in the Intervening Complaint against Darryl L. Christensen having been resolved, the court finds no just reason for delaying the relief requested. Accordingly,

IT IS HEREBY ORDERED that Intervening Defendant's unopposed Motion for Partial Final Judgment Under Rule 54(b) is GRANTED; and

IT IS FURTHER ORDERED that the court finds no just reason for delaying the entry of partial final judgment.

Entered this 20th day of December, 2016.
